

KU MedWest

Advanced Health Care in Your Neighborhood

KU MedWest offers expert medical care for the entire family. Our experienced primary and specialty care physicians and staff deliver a wide variety of health care services in one convenient location.

As a satellite location of The University of Kansas Hospital, we offer high quality care backed by the expertise of the area's leading academic medical center.

Family Practice, Pediatrics and Internal Medicine

Physicians provide primary health care for patients of all ages. Appointments are available weekdays from 8 a.m.-5 p.m.

Occupational Health

Employee health services for area companies include keeping workers healthy, providing prompt treatment for work-related injuries and promoting full recovery through physical rehabilitation.

Urgent Care

For those who need to see a doctor right away, our board-certified physicians provide a convenient alternative to emergency room care.

Treatment for minor illnesses and injuries includes:

- Asthma and allergy symptoms
- Cold and flu symptoms
- Cuts and scrapes
- Rashes and burns
- Sprains and fractures

No appointment necessary.

Weekdays, 9 a.m.-9 p.m.

Weekends, 9 a.m.-4 p.m.

Call for holiday hours.
